निपुण महाराष्ट्र कृती कार्यक्रम

Q.1. READING वाचन

I have a best friend. His name is Rohan. He is very nice and kind. We sit together in class. We play football in the playground. We eat lunch together. He shares his chocolates with me. We do homework together. We help each other. He tells me funny jokes. He is very intelligent. He loves reading books. He is always honest. We never fight. He is my best friend. I am happy to have him.
